

"Syphilis in the Regions - Orientation and Update"

The Sexual Health and Blood-borne Virus Program (SHBBVP) will be coordinating a series of videoconferences designed to provide current information and updates related to the infectious syphilis outbreak in regions of Western Australia.

Date: Tuesday 20 August 2019

Time: 12.00-12.45pm

Venue: Theatrette, 189 Royal Street, East Perth

RSVP: Friday 9 August 2019

Confirmed Presenters:

- Dr Paul Armstrong – Orientation of the Outbreak, Public Health Response & Epidemiology
- Dr Lewis Marshall – Serology, Interpretation of Results & Treatment
- Dr Donna Mak – Antenatal/Postnatal Testing, Treatment & Management

Videoconference Information:

Videoconference will be available for regional participants. If you require videoconference please indicate this on your registration form so a bridge can be booked for your site. Dial in details will be sent to you closer to the date. Please note that the videoconference will be recorded and made available online after the event.

Regions are encouraged to invite stakeholders to your sites if they aren't able to access videoconferencing such as those who work in private practice and non-government sites.
